Government study the statistics. Everything will become clear then...(*Interruptions*)...

MR. SPEAKER: There is no need to make so much noise about this matter. Better look at the root of the problem. Please listen first. As far as the report is concerned, the Government cannot immediately accept or reject it. It is a scientific fact and is related to genetic engineering. A layman would not be able to give an opinion on this matter. I believe whatever is possible will be done.
